C. BACKGROUND AND EXPERIENCE	
Please briefly present the organisation	Euro mirada is a non-profit organisation dedicated to promoting human rights, social inclusion, active youth participation, and fostering youth involvement in society through our work in the Erasmus+ field. We believe that empowering young people and providing them with opportunities to engage in international exchange programs can shape a better future for all.
What are the activities and experience of the organisation in the areas relevant for this application?	Euro mirada carries out activities to promote intellectual, moral and emotional formation so that people undertake a personal reflection on the great challenges and problems that constitute our present in society. To this end, it works on the set of knowledge, skills, aptitudes and values that enable society to become aware of its personal and cultural identity and to reflect on ethical issues that are fundamental for coexistence. Not only that. With its activity Euro Mirada spreads and encourages the practice of solidarity, promoting solidarity and social utility, participation, inclusion, human rights, youth policies, physical activity and sports, without restriction of age, ethnicity or social status.

What are the skills and expertise of key staff/ persons involved in this application?	Isabel Atienza, President. Graduated in English Studies and Master in Teaching Spanish as a Foreign Language. She has international experience in education and cooperation in Spain, Portugal and Italy. She is responsible for the overall coordination of the project and partner communication. Rubén Lázaro, Project Manager and Facilitation. Graduated in Business Administration and Master in Education with specialisation in mental health and artistic expression. He facilitates youth activities through non-formal education methodologies, promoting group cohesion and emotional well-being. Franka Fuchs, Research and Impact Analyst. Master's student in Psychology at the University of Cologne, specialised in social and economic behaviour. She contributes to the research and impact analysis of national and international activities. Delia Cristea, PhD in Linguistics from the University of Seville with more than 20 years of experience in higher education and Erasmus+ projects. She designs training activities and leads the dissemination of results through academic networks.
