D. ORGANISATION DESCRIPTION

Mission and Vision: Vincenzo StudioFotografico operates as a multidisciplinary "Creative Social Hub" blending professional visual production with social activism. It uses storytelling, fine art photography, and digital media as powerful catalysts for social change, inclusion, and philanthropy in Sicily.

Main Activities and Target Groups:

- High-quality visual production for the documentation of international projects.
- "Photography for Good" workshops focusing on inclusion and mental health.

- Mentoring programs for young creative talents and NEETs in rural Sicilian areas.
- Cinematographic documentation of local traditions and cultural heritage.

E. EUROPEAN EXPERIENCE

The organisation has solid local experience in projects with high social impact, operating in contexts fully aligned with Erasmus+ priorities. The Lead Expert (Vincenzo Ingrassia) was awarded *Best European Photographer 2023*, ensuring a guarantee of technical and narrative excellence for the Project Results expected from EU calls.

F. PROJECT EXPERTISE

The team, led by Visual Storytelling experts, offers horizontal skills in digital communication, social media management, and non-formal education through art. The infrastructure includes state-of-the-art cinematographic and photographic equipment to maximize the visibility of the initiatives.

G. ADDED VALUE

VS-Hub stands out for its ability to elevate the standards of "Dissemination & Exploitation of Results" (DEOR) through cinematic-level outputs. Furthermore, the image-based educational approach provides a powerful, "non-verbal" tool to break down cultural and linguistic barriers, fully supporting the strategic EU priority of Inclusion and Diversity.

H. DECLARATIONS AND COMPLIANCE

The organisation ensures full compliance with privacy regulations (GDPR), Erasmus+ transversal priorities (Inclusion, Green Deal, Digital Transformation), and declares the absence of any conflict of interest.
