**RE: SKILLS BRIDGE GHANA FOUNDATION
GREEN PROJECT PROPOSAL**

Reference is made to your letter No. SBGf/26/01/008 dated 7th January, 2026 on the above subject matter.

In summary, the Foundation requested the following:

- i. that this Office serves as the strategic anchor and facilitates the formalization and partnerships with GNPC, Ghana Gas, and Minerals and Investment and Infrastructure Fund (MIIF) for technical support as an investment in its human capital;
- ii. an engagement and Cross-Ministerial Coordination with the Commission for Technical and Vocational Education Training (CTVET), the National Youth Authority, the Ministry of Labour and Employment, Ministry of Energy and Green Transition, and the Ministry of Environment, Science and Technology in its activities and;
- iii. to partner this Office in mapping out the "Green Workforce" requirement for the 24-Hour Economy programme.

We would suggest that based on your capabilities and competencies, the Skills Bridge Ghana Foundation engages these government institutions directly with your proposals for the necessary attention.

We count on your cooperation.
