

# ARTERNATIVAS

## INTERNATIONAL PARTNERSHIPS

### ARTERNATIVAS EUROPE

#### **Building Independent Cultural Connections**

ARTERNATIVAS is actively developing international collaborations with cultural organisations, independent art spaces, creative institutions and alternative contemporary art platforms across Europe and the Mediterranean region.

We are interested in creating accessible and sustainable cultural partnerships focused on artistic mobility, emerging artists and independent contemporary art practices.

#### **Areas of Collaboration**

We are open to collaborations in:

- Contemporary art exhibitions

- Artist exchanges
- Cultural mobility programmes
- Erasmus+ collaborations
- Youth exchanges
- Creative workshops
- International residencies
- Hybrid digital-physical exhibitions
- Mediterranean cultural dialogue
- Independent art fairs and events
- Educational and creative programmes

## **Our Focus**

ARTERNATIVAS supports:

- emerging artists
- independent creators
- socially engaged artistic practices
- cultural accessibility
- non-elitist contemporary art initiatives

We believe in creating direct and meaningful international relationships between artists, organisations and communities.

## **Why Collaborate With Us**

Based in Andalusia, southern Spain, ARTERNATIVAS offers a strategic cultural connection between:

- Europe
- the Mediterranean
- North Africa
- Latin America

Our platform combines:

- digital visibility
- artistic community
- cultural programming
- international collaboration
- contemporary independent art

## **Current Initiatives**

### **FAIA — Independent Art Fair of Andalusia**

An independent contemporary art fair promoting visibility and opportunities for emerging artists and alternative cultural projects.

### **ARTERNATIVAS Digital Platform**

An online contemporary art ecosystem connecting artists directly with audiences and collectors without traditional intermediaries.

## **Partnership Vision**

We are particularly interested in long-term collaborations with:

- independent art spaces
- creative collectives
- cultural associations
- youth organisations
- alternative art fairs
- residency programmes
- educational and social art initiatives

especially those interested in:

- cultural inclusion
- international cooperation
- mobility
- artistic experimentation

- contemporary social dialogue
