Your place to empower change

RELIFE Foundation

About us

The **RELIFE Foundation** is a non-profit organisation established to support the **RELIFE Student Housing project**. Its aims is to facilitate participation of guest students in social projects promoting environmental sustainability and inclusion.

RELIFE was created with the goal of inspiring and training students to become the social leaders and entrepreneurs of tomorrow. How? By engaging them directly in hands-on projects and fostering connections with third sector organizations, associations, and local social enterprises.

**WE PROMOTE
ENVIRONMENTAL
SUSTAINABILITY AND SOCIAL
INCLUSION.**

Mission and Vision

MISSION

Our **mission** is to engage **RELIFE** students in meaningful experiences that connect them with the third sector and local communities. Through high-impact social projects, we aim to equip young people with practical skills, spark their entrepreneurial spirit, and promote the **value of social responsibility**.

Every initiative is an opportunity to learn, grow, and help build a better world.

VISION

Imagine a future in which young people take centre stage in the pursuit of social change, leading innovative projects with a positive impact on local and global communities.

The **RELIFE Foundation** sets out to serve as a reference point for **training a new generation of social entrepreneurs** who are aware of the challenges the world poses and are ready to contribute to developing a fairer, more sustainable society.

THE HOME
YOU CHOOSE

RELIFE Good Time

RELIFE

The **RELIFE Good Time** project enables students to turn their free time into an added value.

By participating in local social projects, their passions can make a direct difference in the community.

Every hour spent on these projects corresponds to a credit/token (**RELIFE Time Tokens - RTT**) granting to access exclusive services and special benefits on campus or with the social partners of **RELIFE**.

Not only is this an active way to contribute to the common good, but it also offers the opportunity to grow, learn and transform one's education.

Projects and Activities

Your place
for growing

The **RELIFE Foundation** is engaged in numerous projects developed in collaboration with local partners and businesses to **meet the needs of the territory**.

Such projects include:

- **Educational and volunteering activities:** raising community awareness on issues of solidarity and civic engagement through active volunteering opportunities.
- **Social and community projects:** support for people in vulnerable situations, through concrete support and dedicated events.
- **Sustainability initiatives:** recovery of resources and materials, promoting a culture of reuse and waste reduction.
- **Project incubator:** support for artistic, cultural and social projects conceived by or for people under 30.

Values and Social Commitment

The **RELIFE Foundation** undertakes to respect the following values:

- **Inclusion and diversity**

We believe that every person, regardless of their background, deserves an opportunity for active engagement. Our projects are designed to support and include people of all ages and backgrounds.

- **Sustainability**

The Foundation's work is geared towards reducing environmental impact and improving quality of life through the recovery and exploitation of resources.

- **Transparency and responsibility**

We are committed to communicating transparently the results and impact of our projects, both to the community and to our partners.

Collaborations and Partnerships

The **RELIFE Foundation** is growing with the help of those who choose to support us and to believe in our mission, contributing to projects with a high social impact.

The many local and international bodies, associations, institutions and partners we work with are key to delivering and driving projects and to expanding the extent of our impact.

We are always on the lookout for new organisations and partners who share our belief in the value of social commitment and who wish to help us build a better future. **Would you like to join us?**

Collaborations and Partnerships

Here's how you can help us:

Work with us

If you are a company, a third sector service provider or an association that operates locally and want to become our partner or submit your social projects to us, please email us at foundation@relifenation.com

Make a donation

Support our Foundation by making a contribution to IBAN IT67 Y 03332 01000 000001614856

Donate your 5x1000 – the portion of income tax the Italian State allocates to support socially relevant activities – to the RELIFE Foundation.

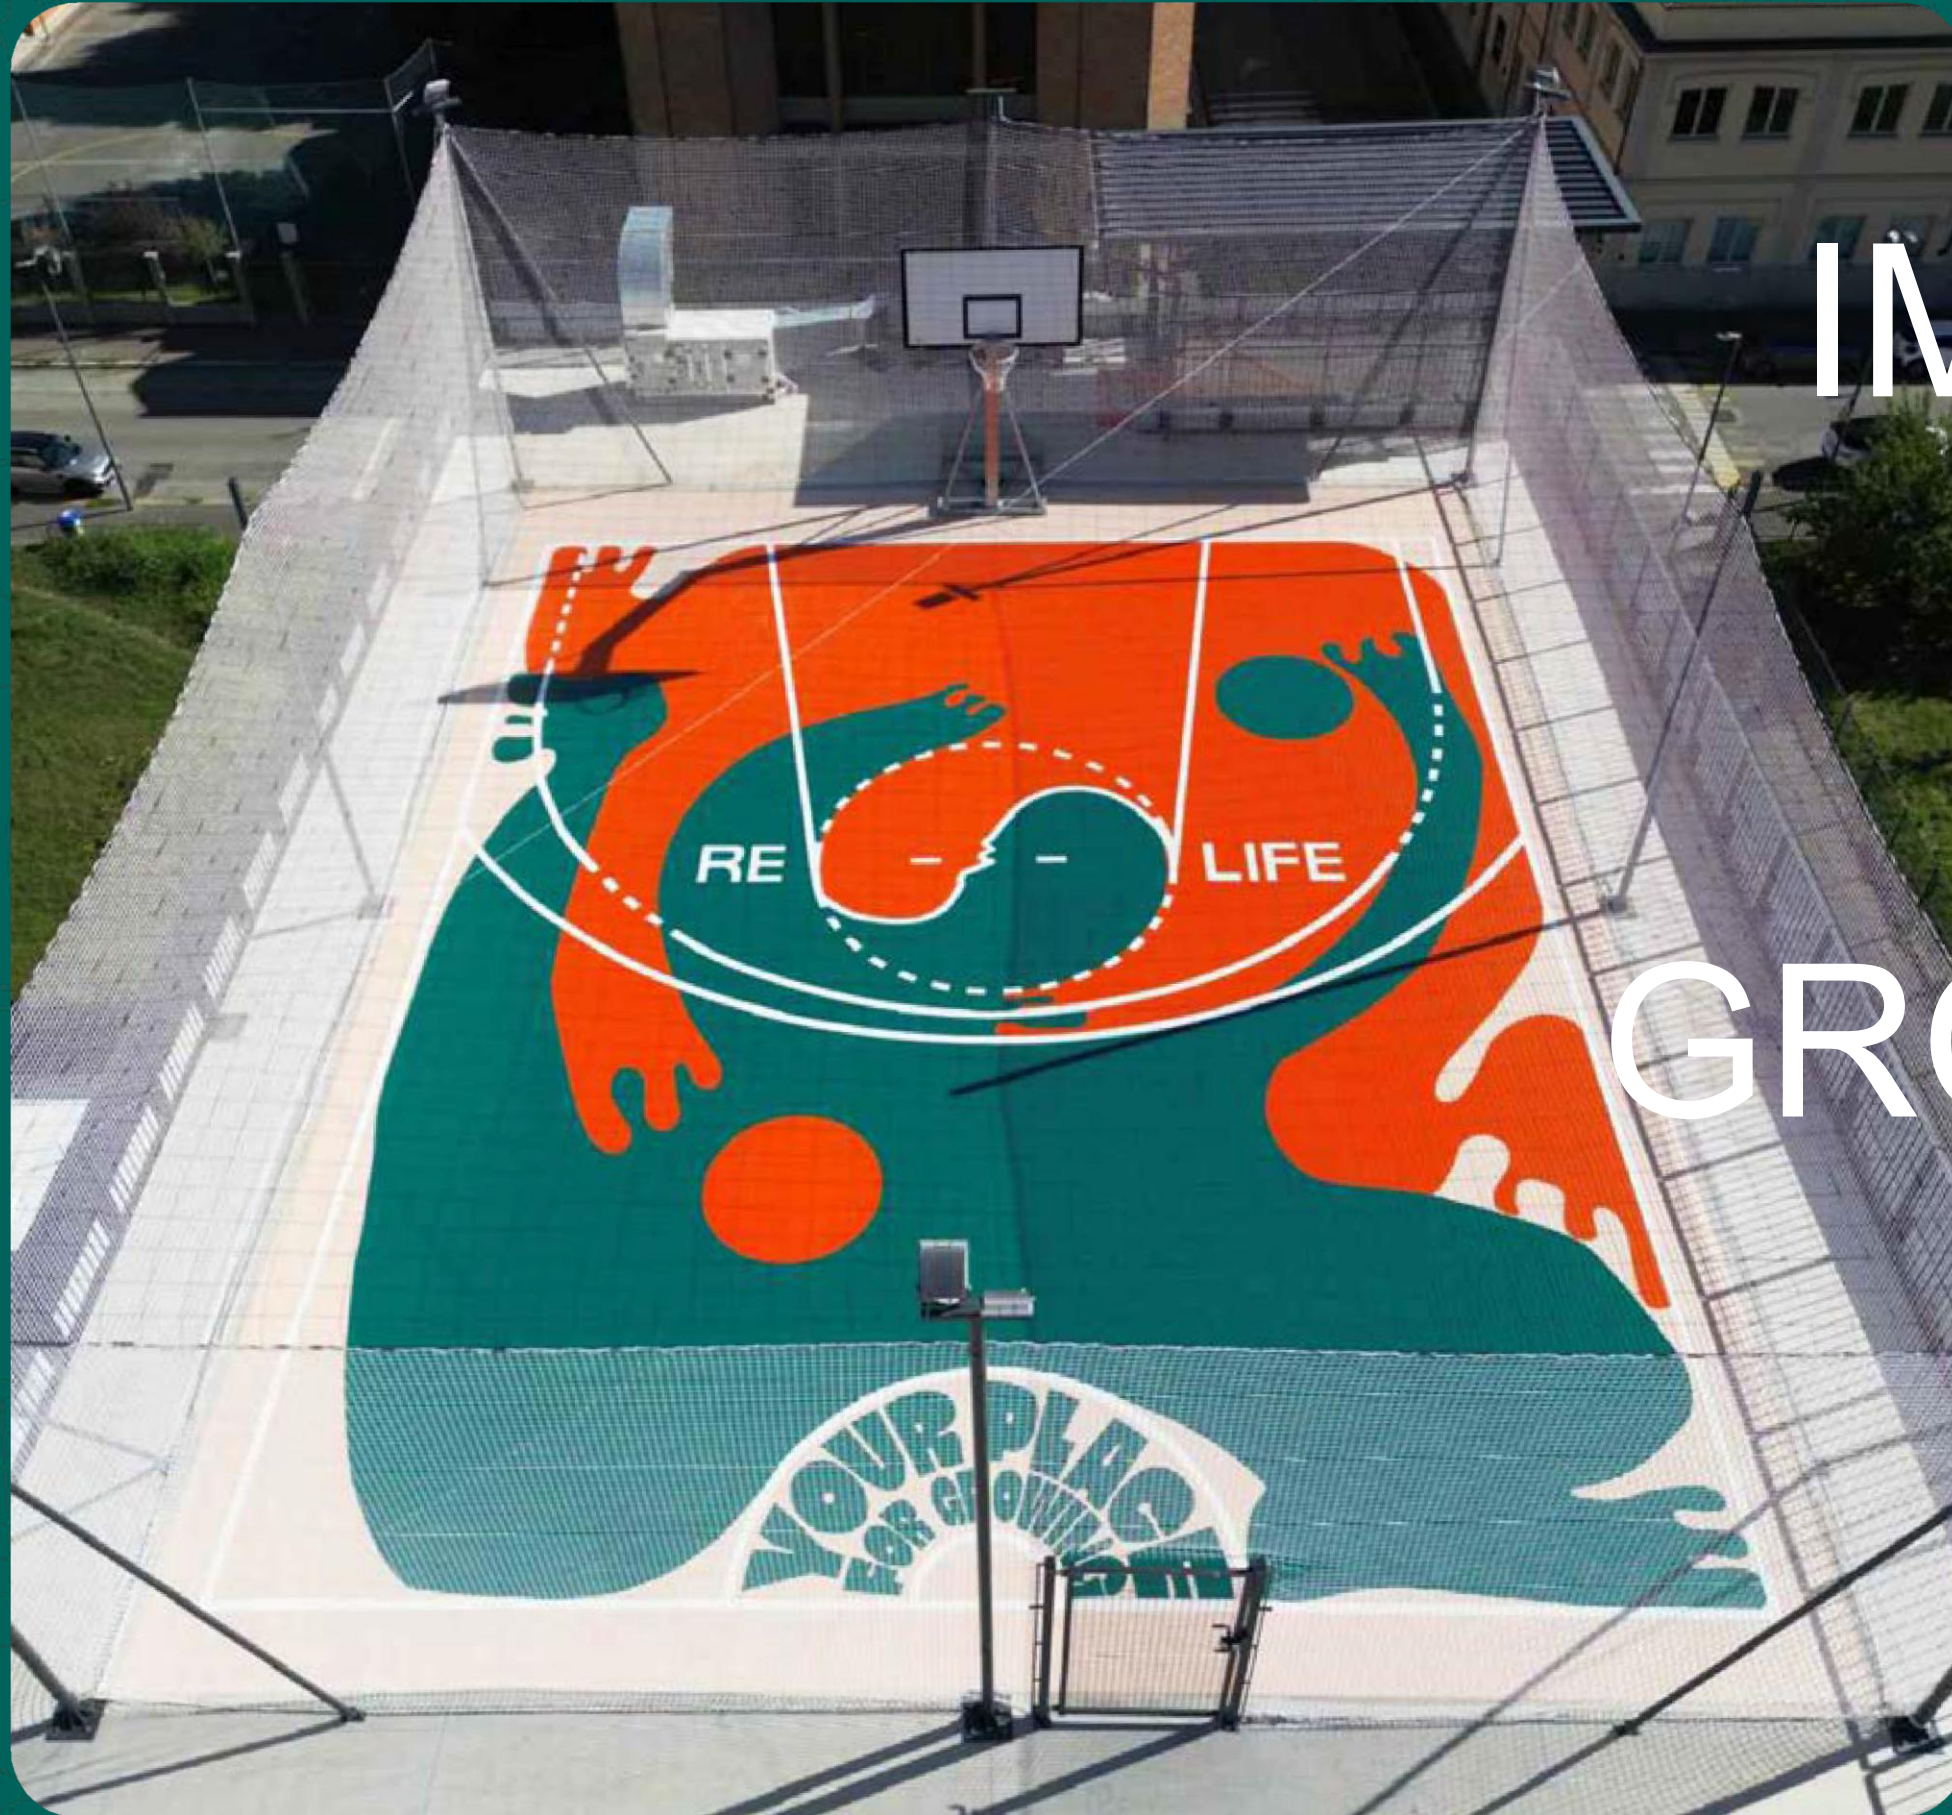

Help us multiply our impact.

GROWTH AND CHANGE

WE

Expected results

The **RELIFE Foundation** aims to have a concrete, measurable impact over time, both socially and environmentally.

RELIFE is not a grant foundation, instead it supports local businesses and third sector organisation through its “human capital”.

MAKE YOUR
LIFE BLOSSOM

RE
&
LIFE

With its initiatives, the Foundation aims to:

- **Create opportunities** for RELIFE students to meet with local organisations so as to develop greater awareness of the potential of the third sector.
- **Promote the active participation** of students in solidarity and volunteering projects.
- **Foster a network of partnerships** between local authorities, associations and companies committed to sustainability.
- **Raise awareness** of the importance of sustainability and social inclusion through events, meetings and educational activities.
- **Promote the development of skills** linked to the world of social work through training and volunteering experiences.
