B. PROFILE AND OBJECTIVES

Vision Statement

"The organization is oriented towards the maximum and free development of each individual, with an emphasis on young people, in accordance with their psychological and physical abilities, and in accordance with the requirements of the Society."

Mission Statement

- **Strengthening Cooperation:** Strengthen co-operation between local and national actors in the development of young people in Kosovo through advocacy, lobbying, and accountability for the protection and promotion of their rights.
- **Promoting Inclusion:** Offering equal opportunities for young people of all ethnicities, religions, and other diversity.
- **Holistic Youth Development:** Contributing to the growth and formation of youth through various education programs for sport, recreation, arguing, empowerment, and economic development.

Specific Objectives

1. Promotion and monitoring of local plans, national strategies, action plans, and standards relating to the protection of youth in Kosovo.
2. Strengthening cooperation between local and national stakeholders in the development of youth in Kosovo and developing sustainable youth programs.
3. Strengthening the capacities of youth organizations, informal groups, and formal groups aiming to represent youth interests through advocacy, lobbying, and awareness for the protection and promotion of their rights.
