Please briefly present your organization:

MasterPeace Morocco: Building Peace Through Empowerment

MasterPeace Morocco is a dynamic and socially conscious organization acting as a catalyst for positive social change within Morocco's vibrant communities. We are an integral part of the global MasterPeace network, a community spanning 40 countries. Our mission is to empower individuals and communities to become active agents for peace and a more sustainable future.

We achieve this through a diverse range of initiatives:

- **Community Art Projects:** We use art as a powerful tool for fostering dialogue, understanding, and unity.
- **Peace Education Workshops:** We equip individuals with the knowledge and skills necessary to build peace within themselves and their communities.
- **Cultural Exchanges:** We promote cross-cultural understanding and break down barriers through exchange programs.
- **Advocacy Campaigns:** We raise awareness about critical social issues and advocate for positive change.

Beyond fostering peace, MasterPeace Morocco is actively contributing to the Moroccan eco-system. We work closely with SMEs, young entrepreneurs, and public institutions to enhance the entrepreneurial landscape and promote sustainable practices throughout the country.

What are the activities and experience of the organization in the areas relevant for this application?

MasterPeace Morocco is considered as one of the leading organizations in Morocco in building capacity programs and youth empowerment, we provide different projects and activities such as:

- **Events and Workshops:** in which we aim to create an open atmosphere based on non-formal methodologies about leadership, peace building, communication and social entrepreneurship,
- **Multinational Projects:** projects that aims to twin with other countries to create a bigger impact in the local communities such as ACT! Together, DOUACTIVISM and Dare4.0 which are +1-year projects that aims to enhance and empower youth in marginalized communities in five countries about the use of art and social entrepreneurship as a method to create positive change.
- **ESC**, in which we enabled more than 50 youngsters to have an international experience under the program in different countries,
- **Social entrepreneurship incubation:** we provide mentoring tools and assistance for youngsters who are interested or passionate about social entrepreneurship in which we help them from the ideation phase to the implementation.

What are the skills and expertise of key staff/participants involved in this application?

MasterPeace Morocco brings together a qualified team of professionals and youth facilitators with strong experience in civic education, intercultural dialogue, and youth empowerment.

- **Project Coordinator:** Expert in civic education, Euro-Mediterranean cooperation, and youth engagement, with over 10 years of experience managing EU-funded programs.
- **Youth Facilitators:** Trained in participatory learning, storytelling, and digital facilitation. Skilled in working with diverse youth groups and safeguarding minors.
- **Storytelling & Media Experts:** Specialists in video, photography, and digital storytelling who guide young participants in creating impactful intercultural content.
- **Safeguarding Advisor:** Experienced in child protection, mental health, and safe learning environments, ensuring ethical standards across all activities.
- **Monitoring & Evaluation Officer:** Responsible for assessing impact and learning outcomes, with experience in data collection and youth-centered evaluation.
- **Youth Participants:** Motivated and diverse young people (13–18) from urban and rural Morocco, active in schools, clubs, and community projects, eager to learn and lead change.
