D. BACKGROUND AND EXPERIENCE

Please briefly present the partner organisation.	Polaris Youth Pathfinder Association is a newly established, youth-led non-profit association based in Belgrade, Serbia. It was founded by three young people committed to empowering young people through non-formal education, international mobility, volunteering and intercultural cooperation. The organisation aims to create accessible opportunities for young people to learn, participate in society, build confidence and develop practical competences.
What are the activities and experience of the organisation in the areas relevant for this application?	The organisation develops Erasmus+ youth exchanges and youth worker mobility activities, local workshops, volunteer initiatives, digital literacy and STEM activities, civic participation and community engagement, cultural and inclusion-focused programmes, and activities supporting well-being and personal development. Although the association is newly established, its team members bring personal experience from Erasmus+ mobility, volunteering, youth initiatives, educational activities and event organisation.
What are the skills and expertise of key staff/persons involved in this application?	The team combines competences in project development and coordination, non-formal learning, facilitation, youth participation, intercultural communication, volunteer management, digital communication, programming and robotics education, event organisation, dissemination and social media. The founders combine international youth experience with technical, organisational and community-based work. They have participated in Erasmus+ mobility projects, coordinated youth and educational activities, organised local events, worked in student organisations and developed activities related to digital skills, STEM and youth participation.
