## TARNOWSKIE GÓRY

*Rooted in the region's mining heritage since 1953 — building a modern, certified academy pathway in the heart of Upper Silesia, and looking for its first international academy partner.*

TS Gwarek Tarnowskie Góry is a football club based in **Tarnowskie Góry**, a city of roughly **61,000 residents** in the Śląskie (Silesian) Voivodeship. The club sits inside the Katowice metropolitan area (Górnośląsko-Zagłębiowska Metropolia) — **over 2.28 million people**, all within an hour's drive of the club — and a short drive from Katowice International Airport (Pyrzowice). The club's name honours the *gwarkowie*, the historic silver miners of Tarnowskie Góry — whose historic mine is a **UNESCO World Heritage Site** (inscribed 2017).

### 01 — ACADEMY

#### Elite Sports Education

Since September 2026, TS Gwarek's Sports Championship School (SMS) has run a dedicated class for the 2016 age group, plus a sport-profiled class for 2011. In 2027: SMS status for 2011–2012, plus new intakes for 2017 (and possibly 2020).

### 02 — INFRASTRUCTURE

#### Training Base & Certification

Home complex of three full-size pitches — two natural grass (one floodlit) and one floodlit artificial turf — plus on-site changing rooms. The SMS, 7–10 minutes away, adds its own grass pitch and a bursa/dormitory. Applying in 2026 for PZPN Silver-level certification.

### 03 — OPPORTUNITY

#### Open for a Global Partner

TS Gwarek currently has no exclusive patron or feeder-club agreement with any senior club — a clean slate to build a first international academy partnership from the ground up.
