

## Free your mind ... read a book

Ludzi coraz więcej, a człowieka coraz mniej... Edward Stachura

Free Your Mind Foundation

We promote families to read more by providing the key steps of reading...

- ✓ Accessibility: teaching families the <u>value</u> of reading
- ✓ Mobility: providing availability of books at home
- ✓ Variety: offering all kind of educational/recreational materials

## EU READ RESEARCH

Representative longitudinal study by Stiftung Lesen,

commissioned by the Federal Ministry for Families, Senior Citizens, Women and Youth,

proves a head start for children who enjoy reading.

Reading... a tool for the future

- > It helps to build positive parent/child relationships, while being both enjoyable and fun
- > It broadens the child's view of the world, encouraging children to understand different emotions and experiences, contributing to their development in many ways
- > Long-lasting positive effects in young adults

Show them how and create a bright future

Share your books and enjoy together,...
