

Youth Training

"ProjectDEoR"

Limassol, Cyprus, 23 – 30 August 2014

KEY – Innovation in Culture, Education and Youth is a youth organization promoting non formal learning, active participation of young people in the society, intercultural dialogue and awareness on social issues that influence young people. We are open to all young people who share our vision. Our organization was formed by volunteers and youth workers with experience in non formal education and international youth events and activities.

"ProjectDEoR" is a youth training aiming to bring together a group of 24 group leaders, young people and youth workers (professional or volunteer) who have experience or are interested on the topic and are be able to implement local or international programmes / actions, from Erasmus + countries with the aim to exchange views and ideas, explore various tools / ways / techniques and share good practices and activities regarding the dissemination and the exploitation of results in Erasmus + youth projects.

The main objectives of the exchange will be:

- To share good practices, new and innovative approaches, concepts and activities.
- To explore various ways, tools and techniques for dissemination and exploitation of results regarding Erasmus + projects in the field of youth.
- To help the participants design dissemination and exploitation activities relevant to their projects, target groups, activities etc.
- To give the chance to the participants to experiment in tools and methods
- To cultivate and develop the necessary competences and skills to the participants for efficient and effective implementation of communication and multiplication strategies regarding their projects.

Working Methods

The implementation of this training will be based on a diversity of non-formal education methods (like role play, debate, indoor and outdoor activities, simulation

games and case studies), encouraging the participants for active participation, self expression and share of good practices. Also, the participants will have the opportunity to show their skills and team spirit. This process will lead to the creation of dissemination and exploitation activities for their projects and build strategies and develop competences.
