

Call for participation

Title : Dare new horizons for adults

Description

The local community centers federation of Vienne (French department), seeks to allow volunteers and workers from all collaborating organizations to gain benefit and experience about empowerment and social justice.

With more precision, we invite you **to build with us a seminar** to exchange about our practices around this question:

How does our work as organization to develop empowerment of young people help to develop citizenship, social ties and employability?

This seminar would take place in France in November 2015.

Dates

The community centers federation would like to send in a mobility project in the framework Erasmus + by the 4th February 2015.

Practical Information

We are looking for **2 partners from north Europe and south Europe**

We project to gather around 60 participants: 30 from France + 3 European partners with around 10 people per partner. We already have a partner from Bulgaria.

The working language will be English and French.

We suggest the following schedule:

From October 2014 to February 2015	Work of co-construction of the project between our centers and our partners
February 2015	Submission of the project
May to October 2015	Organization of the seminar
November 2015	Seminar – 5 days including travel
