

Builders of Change

DREAMERS

VOLUNTEERS

FONDONATURALEU

Fondo Natural is a non-profit non-governmental environmental organisation established in 1991, whose aim is to promote public attitudes toward involvement in nature protection, contributing to the well-being of society as a whole.

We Help Preserve Nature

Our vision

We perform an important role promoting nature protection, advocating for changing reality, facing social and ecological problems from a positive point of view.

Where Capitalism has globalised degradation of ecosystems to planetary scale and even nature is worth a price in terms of economy, we still do believe in a truly human society, driven by the values of trust, solidarity and mutual respect between cultures and nations.

How Fondo Natural works:

- ✓ Commitment
- ✓ Solidarity
- ✓ Independence
- ✓ Social inclusion
- ✓ Austerity

Values

WE WORK ON 3 BIG AREAS:

- ENVIRONMENTAL PROTECTION: BIODIVERSITY, HERITAGE, WATER, SOIL, CLIMATE, POLLUTION.
- QUALITY OF LIFE: HEALTH, FOOD, RESPONSIBLE CONSUMPTION, PUBLIC INVOLVEMENT AND COOPERATION
- SOCIAL AND ECONOMIC SUSTAINABILITY: EMPLOYMENT, SOCIAL INCLUSION, RURAL DEVELOPMENT.

IN ORDER TO ACCOMPLISH OUR GOALS, WE CARRY OUT A WIDE RANGE OF ACTIVITIES:

- FIELD TRIPS AND EXCURSIONS, VOLUNTEER, WORKCAMPS
- TRAINING SESSIONS AND COURSES, WORKSHOPS, YOUTH EXCHANGES
- ENVIRONMENTAL AWARENESS, NON-FORMAL LEARNING
- HABITAT RESTORATION AND NATURE CONSERVATION PROJECTS
- STUDIES OF FLORA, FAUNA AND HERITAGE

A tall, modern building with a unique, tiered, and curved design, known as the Water Tower in Zaragoza, Spain. The building is the central focus of the image, with its distinctive architecture featuring horizontal bands and a spiraling form. The background is a cloudy sky.
