

Be part of European Youth Mobility Network

Call for organisations

C:E:T Platform Poland in cooperation with C:E:T Croatia, Serbia and Montenegro is establishing network of youth organisations in Europe that will be engaged in common mobility projects in the future. First step in establishing that network is Contact-making Seminar that will be hosted in Wroclaw, Poland in May 2015. The event aims to provide leaders and representatives of participating youth organisations with space to get to know each other, share and develop ideas about future projects and cooperation, as well to invent new proposals regarding activities concerning promotion of youth mobility. It also to establish long-term cooperation among partner organisations in the field of youth mobility in Europe including topics concerning migration, labor mobility, freedom of movement in Europe, European awareness, inclusion of minorities and other similar topics. The final aim of the seminar is establishing an international youth network "European Youth Mobility Network" with clear plan, rules and strategy.

If you are interested to be part of planned Contact-making seminar, please send us:

- Partnership identification form (from attachment, saved as .doc file)
- Mandate (from attachment, duly signed and stamped – not with inserted stamp)
- Letter of interest (why your organisation would like to participate and how you can contribute to the project and network)

All documents should be sent to office@cetplatform.pl by 26th of September 2014. Original Mandates should be sent by post upon confirmation that you are selected as a partner to:
