JOETZ  
VZW

JOETZ is a young, open and dynamic non-governmental youth organization for **kids and youngsters** from **3 to 30 years** old. We develop projects and activities around health promotion, international youth work and social inclusion. We also organize a wide variety of holidays for kids and youngsters and training for youth workers.

### WHAT DO WE DO?

- ★ **Health projects** around actual themes.
- ★ **International projects** such as youth exchanges, training courses, European Voluntary Service and immersion travels.
- ★ **Eurocrack and Africrack** - international youth exchanges for youngsters from a technical training or special education background.
- ★ **Healthies** - students we have trained to become health activists.
- ★ **Condomobiel** - our fun van, stationed at all major festivals to promote safe sex and sell condoms.
- ★ **Condoshop** - our online store where you can buy condom packs at very low prices.
- ★ **Training courses** for youth leaders, supervising animators and tutors.
- ★ **National and international holidays** for kids and youngsters.
- ★ **ZAP** - our monthly youth magazine introducing health promotion into youth culture.
- ★ **Belgian Popline** - special condom packages designed by Belgian and international artists.
- ★ **Inclusion** - special attention to less privileged groups.
- ★ **JOETZ.net** - a network for youth organizations and youth clubs.
