## JOETZ ORGANISES!

**INTERNATIONAL EXCHANGES** - Stay abroad with a group of Belgian youngsters in an international youth camp organized around a central theme. Possible themes are music, discrimination, environment, leisure time, drugs or ... something completely different. You're bound to learn something ... but in the first place ... it's fun! You'll meet young people from all over Europe and parties and trips are part of the deal.

---

**INTERNATIONAL COURSES** - The perfect occasion to come together with youngsters from 10 to 35 different European countries (or neighboring EU countries) to discuss a specific theme and broaden your horizon. There is a wide variety of training courses, host countries and themes.

---

**EVS, EUROPEAN VOLUNTARY SERVICE** - An international program for young people between 18 and 30 years old. This gives you the chance to do volunteer work in another country and several domains for a duration from 2 to 12 months.

---

**IMMERSION TRAVELS** - Visit a developing country, move in with a host family and immerse yourself into another culture.

---

**EUROCRACK AND AFRICRACK** - International youth exchanges for youngsters from a technical training or special education background.
