Discover Religious Diversity

Seminar 12-19 June 2015

Istanbul, Turkey

Summary:

“Religious Diversity around us” is a 7 days training course on 12-19 June 2015 for youth workers from programme and neighbour countries under Erasmus +.

The global aim of the training course is to build a safe space for youth workers to learn about 3 Abrahamic religions to increase dialogue and understanding. We want to explore identities, culture, prejudice, stereotypes and intolerance. etc. We believe that participants will widen their perspectives on religious diversity and increase youth workers’ knowledge, skills and attitudes on different religion based subjects. It will promote dialogue and mutual understanding between youth workers.

The training course will be based on non-formal education methods such as simulations/role plays, field visits, reflection groups, group works. It will be great opportunity to enhance exchange, partnership and co-operation.

We aim to have different kind of partners in this project from different experiences and backgrounds; both EU Countries and Partner Countries., we will be approximately 30 people from 9 different counties.

Target Group:

Youth workers are who;

- interested in dialogue and religion and inter-faith dialogue
- are over the age of 18
- can commit to stay for the whole duration of the training
- can work in English
- has residence in a EU/Partner Country

How to become a partner:

Eligible partners are who;

- is from a EU/ Partner country
- is interested in dialogue and religion and inter-faith dialogue
- can send 3 youth worker to the project

If you are interested in the project;

Please fill the partnership info table (email the word document) and mandate form (sing, scan and then email us)

Please get your PIC (Participant Identification Code) and let us know. It is a kind of a code of your organisation for EU projects. For more info, visit the following website
