WHAT DO WE DO?

Debating about
the future of Europe and
the European Integration

**Free and easy dialogues about our
common future where every opinion matters.**

WHO WE ARE

- We are an independent NGO based in Brussels focusing on the young generation. Young people, researchers, euro bubble workers, experts, academic professionals who are dealing with European Affairs no matter where they are located in Europe

THE CENTRE FOR EUROPEAN PROGRESSION

- Supports all the opportunities that brings forward the dialogue about the future of European integration
- Participates in social, economic and environmental policy making
- Provides an outstanding activity in European and National level

OBJECTIVES

ISSUES WE CARE ABOUT

Youth

- Promote the active participation of young people in democratic life and foster debate around topics and their interaction
- E-participation offers the involvement of greater and more diverse groups thereby improving the social inclusion of all young people
- Centered on the themes and priorities set by the Structured Dialogue between young people and youth policy-makers

OBJECTIVES

ISSUES WE CARE ABOUT

European Integration

- Promote cooperation between EU Member States and third countries
- Examine the role of EU institutions and the possible impact of their policies
- Analyze the institutional balance between the decision making bodies in the European integration

OBJECTIVES

ISSUES WE CARE ABOUT

Regional Development

- Provide infrastructure for enterprises to participate in European Programmes
- Foster technology and innovation transfer for the sustainable development at regional level
- Disseminate information on the alternative ways and best practices for cooperation

OBJECTIVES

ISSUES WE CARE ABOUT

Social Cohesion

- Promotion of intercultural and social dialogue
- Encourage the message of 'United in diversity'
- Increase stability and safety by breaking down the most common misconceptions

OBJECTIVES

ISSUES WE CARE ABOUT

Transfer of Innovation

- Promote the transfer of technology between European member states in the field of
 - Research
 - Technological Growth
 - Education and Training
 - Information Technology
 - International Relations
 - Regional Development

OBJECTIVES

ISSUES WE CARE ABOUT

Future of Energy in the EU

- Tackling climate change by improving energy efficiency
- Enhancing energy security through the support of the Energy Union and raising the share of renewables

OUR ACHIEVEMENTS

- We provide constructive atmosphere for discussion about the future of Europe
 - Migration in Ukraine, EU Internal Security Strategy, New initiatives in Brussels, etc.
- Connect young people with policy-makers and academics
- Transfer of know-how, experiences and dissemination of information to the young Europeans

EUUNTIED EVENTS

- The concept is simple
 - Series of events called 'Euuntied'
 - European Affairs
 - Papers, studies, publications as outcome
- But we are special in
 - Our target group
 - The way these event are organized

EUUNTIED

- Target group
 - People from the Eurobubble under 40
 - Actively involved in and enthusiastic about European Affairs
- Enviroment
 - Focusing on casuality, informality
 - Small groups: 20-30 people

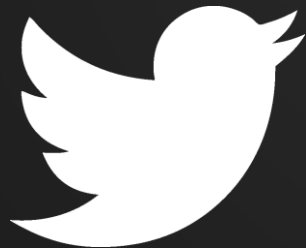

OUR FUTURE

- EUuntied becomes a regular event
- Starting an EUuntied blog
- Policy papers and recommendations by our correspondents
- International projects dealing with the inclusion of youth (ERASMUS+, Horizon2020)
- Fundraising events
