INTERCULTURAL EVENINGS

During the Youth Exchange we are planning to arrange Intercultural Evening for each country. You will present your own cultures – national, regional, personal or any kind of culture you feel represents you! These presentations should be interactive. It should not be a “lecture” but should be done in a creative way. You can see when is the evening of your country in the daily programme. This means that all options are possible. A culture may be presented by a song, a game, a story, a poem, a dance, Power Point, video, some typical drinks or food, etc. You may bring pictures, music or anything which you consider to be helpful to present your culture. There will be a computer and data projector available.

COSTS

Programme costs will be provided and paid 100% by the grant from the Turkish National Agency. We recommend you to bring money for drinks, presents, etc. We have a budget for travel costs.
