Tashkent State Pedagogical University has established mutual cooperation with leading universities of such countries as Germany, France, Denmark, Spain, the Czech Republic, South Korea, more than fifteen universities, the US State Department office of the Fulbright Program, Egypt, Helvey and Banh universities, educational institutions of Russia and Kazakhstan, Korea foundation KOICA, the Academy of Korean culture, Korea educational Centre in Tashkent and Korea republic cultural center.

Also cooperation agreement was signed with University of Malaga (Spain), University of Grenoble (France), Masaryk University, leading universities of Czech Republic and Denmark, Azerbaijan state pedagogical University, Ural state pedagogical university.

In 2013, TSPU won KOICA's grant project for total amount of \$ 1.5 million. In the framework of this grant electronic library was created. It provides both on-site and online access to more than 5000 books and databases around the world. (http://www.koica.go.kr/english/resources/news/1316542_1962.html)

Tashkent State Pedagogical University coordinated and was partner in several EU Projects, for example CIBELES, IMEP, etc. Within these projects TSPU held mobility programs for BA, MA, PhD students as well as professional staff in the areas of education, history, psychology, pedagogy, economics, chemistry, biology, etc.

Tashkent State Pedagogical University has also participated in TuCAHEA (Towards a Central Asian Higher Education Area: Tuning Structures and Building Quality Culture.) The aim of TuCAHEA is to contribute to building a CA Higher Education Area, aligned with the EHEA, able to take into account and valorise the specific needs and potentials of the Region and of the partner countries, thus responding to the needs of the higher education community and society at large.

In 2017 TSPU has become beneficiary of Erasmus+ KA2 Capacity building for Youth project. It is the first project of that kind in the whole region.
