Mission:

The association was founded in order to enable and improve activities of civil society and give support to the foundations and people that work in this area, get young people participate in national and international projects actively, facilitate reaching right information for young people, ensure the participation of young people with fewer opportunities that are living disadvantaged field, raise awareness of young people by provided trainings.

Vision:

Dream of Youth Access Association is to ensure youth mobility and reaching right information by getting young people ,who have advanced awareness in universal rights and responsibilities and respect for cultural and individual differences, active defenders of social change.

From our activities we include:

- Trains trainers who implement peer to peer trainings on subjects such as volunteerism, project management, human rights, social rights, reproductive health, health literacy and organizational management.
- Empower children and young people to develop their creativity and innovative.
- Facilitate self-determined and self organised ways of living for children and young people with special consideration for the socially disadvantaged.
- Promote in the democratic participation of young people in the decision making process
- Encourage young people to get involved in activities of the civil society and promote in building a tolerant, democratic and non-violent society.
- Offers face to face support to university student clubs according to their needs.
- Creates a learning environment that increases youth mobility, which in turn supports learning from other young people and youth organizations.
