BACKGROUND AND EXPERIENCE	
Presentation of the organization	<p><i>Iania Australis</i> is a non-profit, non-partisan and non-denominational organization that promotes social purposes and solidarity. It was founded to help make concrete improvements within local communities by boosting a greater awareness of the European dimension.</p> <p><i>Iania Australis</i> carries out activities in the field of education, training and intercultural dialogue: its work has always been based on active participation and involvement of people, non-formal and informal education and cross-sectorial multidisciplinary approach.</p> <p>In a larger strategic framework at local and international level, <i>Iania Australis</i> proposes itself not only as a privileged observatory on present-day society's needs, but also as a proactive player in the necessary process of European integration.</p>
What are the activities and experiences of the organization?	<p>Ever since it was founded, while maintaining a particular focus on young people and youth leaders, <i>Iania Australis</i> has developed significant skills and expertise in the area of project cycle management, distinguishing itself for the qualitative high-level of its activities (independently and/or in partnership): projects under the Erasmus+ and the European Solidarity Corps programs as well as seminars, workshops and voluntary work.</p>
What are the competences and previous experience of key staff/persons?	<p>Founded members of <i>Iania Australis</i> have a huge longtime experience in voluntary sector and in the development of local communities, working especially with youngsters and youth workers.</p> <p><i>Iania Australis</i> has got a strong community-oriented approach: all its members (and volunteers) come from different educational and</p>

professional paths so that, with all these variegated skills, they are able to include their formal knowledge into non-formal methods to achieve the best possible result.

All of this makes *Ianua Australis* always well-informed about the needs of nowadays society (both locally and at European level) and fully involved into the E.U. integration process.

- Mr. Andrea Luca Colantonio
 Founder of *Ianua Australis*.
 He's graduated with a bachelor's degree in Business Administration and a master's degree in Social Innovation, as project manager, he has many years of expertise in project cycle management.
 He's involved in youth work since 2005 and he participated, as planner and coordinator, in over 200 training courses and workshops across Italy and Europe.
 From 2014 to 2020 he served as vice-president of Catholic Action in Naples, a national NGO (with more than 4000 members only in the Archdiocese of Naples) that plans and runs mid-long term youth training programs.
 Since 2017 he has been working as Trainer of Italian National Civilian Service, planning and running Public Law and Social Studies training courses.
 Since 2022 he has been drawing up project proposals concerning Italy's reception system for asylum seekers and refugees.
- Mr. Alfonso Davide Di Sarno
 He majored in Psychology and he obtained a postgraduate diploma in pedagogical counseling.
 He's a freelance researcher in the field of learning processes and psychotraumatology.
 He also has a deep knowledge about relationship dynamics and he's been involved in several projects with children and young people with disabilities and/or fewer opportunities.
 He's strongly and actively involved in youth work on local and national level since 2010 as youth leader and expert.
