**Background and experience**

Please briefly present the partner organization.

Association of Young Journalists NGO was founded in 2011 with the mission of supporting non-formal education in journalism and other social sciences, development of professional skills, career prospective, as well as formation of media and civic society in Armenia. According to our charter aims of the organization are the following:

- to contribute to the development of journalism, civil establishment of public institutions.
- to promote youth education organization, academic and professional activity implementation.
- to contribute to their social activity.
- to organize media studies and scientific research.
- to contribute to the establishment of a democratic system, the media,
- to collaborate with other institutions of civil society to contribute to the public sector development.

What are the activities and experience of the organization in the areas relevant for this application?

The main members of our organization are journalists, lectures and students from different faculties of Armenian universities. Being the master of their job, the members of our organization can have a special endeavor to the project as well create some news articles and short movies about the project and organize the PR campaigns of the project.

The head of the organization is Arman Ghazaryan, who is a journalist and lecturer at Faculty of Journalism of Yerevan State University. As well as the vice president of the NGO is Lusine Manukyan who is an MBA student at YSU in the same faculty. So they'll put their professional skills to spread an information about the project, to find worthy participants and to contribute the successful realization of the project.

What are the skills and expertise of key staff/persons involved in this application?

From 2011 - till now the NGO has regularly organized courses, conferences, debates and discussions at public sector in a wide variety of topics.

From August-December 2015 "The role of media in developing of regional organizations in Armenia" training course for PR managers of regional organizations.

From March-October 2015 "Memories about the veterans of 2nd World War" movie-making project in cooperation with Pan-Armenian Youth Foundation and "Yerkir Media" TV

2014 December "Armenian and German journalistic school" training course in partnership with "Die Tageszeitung (taz.de)" daily newspaper (Berlin), Pan-Armenian Youth Foundation and Yerevan State University.

2014 Youth Foundation held March 7-9 to "I'll sign it" in a course, the media's role in a democratic society and journalist's personal responsibility in society topics:

2013 October 23-30 it has participated as an expert in the Youth in Action Programme The «ICIRLD» NGO organized by «EYE-World-Video-Hearth» TC- In

In 2012 founded "YSU debate club," which is still working and always gives an opportunity of meetings for student with various professions

In 2012, "Young Biologists Association" NGO cooperation volunteers coordinated by «Let's do it» global environmental of media coverage of the initiative process.

The potential participants of the project are already involved in a number of prestigious international conferences, training courses (including EU projects) in different countries.

We're cooperation with many public and Non-governmental organizations as well with some active groups in our country.
