

Call for Long Term EVS in Turkey

2015 – 2016

ABOUT US

Who are we?

Cankırı Valiligi (Governorship of Cankırı) was established with the founding of Turkish Republic. The institutional process at Governorship is carried out by departments within the scope of governorship. These departments fulfill their services with over 100 managers and employees. To provide enough benefit to owners about regional, national and EU funding opportunities and to support prospective projects, Foreign Relations and Project Coordination Center (Dis Iliskiler ve Projeler Koordinasyon Merkezi) was created in 2007.

Cankırı Valiligi (Dis Iliskiler ve Projeler Koordinasyon Merkezi) gives technical support to organizations and institutions who prepare projects, makes administrative assistance, helps them participate as partners in current projects and ensures the fulfillment of the project leadership and adviser when necessary.

NGOs and youngsters from high schools and universities whose age ranges are suitable for youth projects are given periodic trainings in a year to benefit effectively from national and international funding sources and are provided support for participation in active life.
