**Project Description:**

“Are you ready ?”- it is a Partnership-Building Activity (K1 mobility of youth workers) serving the purpose of developing contacts, creating new and high quality partnership, exchanging experiences among the participants from 10 countries ( EU countries) for international cooperation in future. Our tools and methods will be: games, team activities, workshops, discussions, presentations, open space. The program of project is to teach about projects and its quality; inspire to involve in local community life and in international youth projects; respond to the participants needs and gain intercultural experience. By five days project held in Będzin and facilitating the creation of relations in a group of 36 participants, in non-formal way, we hope to gain a position of credible and reliable partner cooperating within the new projects offered by the Erasmus Plus Youth. Our aim to promote international cooperation and Erasmus Plus Youth, exchange ideas for future, high quality youth projects and facilitate the development of new projects with partners. Dates of activities are: spring/summer 2016.

The main theme of our initiative will be:

- youth and sport
- inclusion youth from disadvantaged background
- promotion of volunteering

- activating youth potential that will involve social issues and their representation in media
- European identity
- integration of youth from various diverse social and economic backgrounds

Our main idea is to build trustful and long term partnership that will turn into quality youth in action initiatives. We will share the experience and other useful and practical information with other less experienced regional NGOs as a natural outcome of this initiative.

We will use below outlined methods:

- workshops
- role playing
- energizers
- ice-breaking games
- outdoor activities
- discussions and presentations,
- small group exercises
- creative session
