

EVS Project: “Youth Support For Community”

About the Organization:

“KEY – Innovation in Culture, Education and Youth” is a youth organization promoting non formal learning, active participation of young people in the society, intercultural dialogue and awareness on social issues that influence young people.

We are open to all young people who share our vision. Our organization was formed by volunteers and youth workers with experience in non formal education and international youth events and activities.

Description of the Project:

The EVS Project “Youth Support For Community” is a project designed to make volunteers active on community matters and provide them the opportunity to offer and support to the local community of Limassol, in Cyprus.

The volunteers which are going to take part in this project will have the chance to work at our organization (KEY-Innovation in Culture Education and Youth), by delivering their own personal projects to the people of our local community

Also, the volunteers will have the opportunity to offer their help and support at the charity organization of Polemidia Municipality. This charity organization support many groups of people from lower socioeconomic background, by providing the following:

(a) Collecting and distributing clothes and foot ware (b) operates a kindergarten (c) operates a nursery for elderly people and (d) operates a department offering psychological and other kind of help to people who need it.

The participants will have the chance to enrich their knowledge, develop new skills, get involved with the local society, express themselves and organize or lead to actions developed by the organization or even themselves. The volunteers will also be able to participate to different kind of projects / actions carried out by the hosting organization, such as educational visits, fairs, donations, youth mobility programmes and much more.

The project is designed to host 4 volunteers from 4 different EU countries for a period of 6 months. The expenses covered by our organization will meet the needs of the ERASMUS+ Programme.

Methodology:

All the above will be carried out through non formal and informal learning via the supervision and the guidance of our professional staff and team.
