

## TRAINING COURSE PARTERSHIP PROPOSAL, ERASMUS+ KA1

application deadline: 26/04/16

# EVS Academy

**How to successfully implement non-formal education volunteering project  
in institutions of formal education.**

### WHY WE WANT TO DO THIS TRAINING?

---

After years of experience in coordinating EVS projects we decided to organize this training to discover implementing EVS projects in formal education institutions. At the moment we are EVS coordinating organization for 8 institution of formal educations in our region (high schools, primary schools, kindergartens and special education centers) in villages and bigger city. We would like to share the knowledge we gained and meet another organizations interested in this topic and work together on implementing successful EVS projects in formal education institution. We ensure about high quality of the training and strong benefits for participants.

### PLACE & TIME

|                                     |
|-------------------------------------|
| <b>25. 11. 16 - 30.11.16 Poland</b> |
|-------------------------------------|

### AIM

---

- discovering the value, challenges and possibilities of EVS in formal education institutions.

### OBJECTIVES

- what and how formal education institutions can benefit from non-formal learning activities
- which are challenges with carrying out EVS (non-formal learning) activities in formal education contexts;
- supervising volunteer's activities and learning process ( making good collaboration plan)
- finding developments and improvements could be added to EVS projects in formal education
- how EVS and non-formal activities could be promoted within formal institutions and contexts.
- based on the training we want to create a brochure with information about EVS in formal education institutions for new EVS organisations
- creating web of contacts

#### WE EXPECT PARTICIPANTS TO (MINIMUM EXPECTATION)

---

- know how to plan and implement EVS projects in formal education institutions
- being able to connect non formal education with formal learning
- Being able to support volunteer by supervising his activities and learning process

#### PROFILE OF PARTNERS AND PARTICIPANTS

---

##### **Profile of partners:**

-EVS host, sending, and coordination organizations who implement (or will in the future) EVS projects in formal education institutions (schools, kindergartens, universities, public educations centers ect. )

##### **Profile of participants:**

- We invite participants with different level of experience
- Participants should show interest in the topic
- We are looking for 26 participants,
- The participants should have a working level of English (min. B2 level) to participate actively throughout the training course (discussions, sharing, group activities, active listening...),
- They need to be over 18 years old,

**We will be very happy to welcome your organization on the board😊**

We will not expect from participants any additional fees. Cost will be covered from Erasmus+ program
