

"Think young, create the change!"

e-gençlik Association

Who we are?

e-gençlik Association is a youth NGO established with the aim of encouraging young people from different places to take active part in civil society, to work voluntarily in different projects, to produce new ideas and to use their energy for common benefit through its web site www.e-genclik.org.tr and regional representatives.

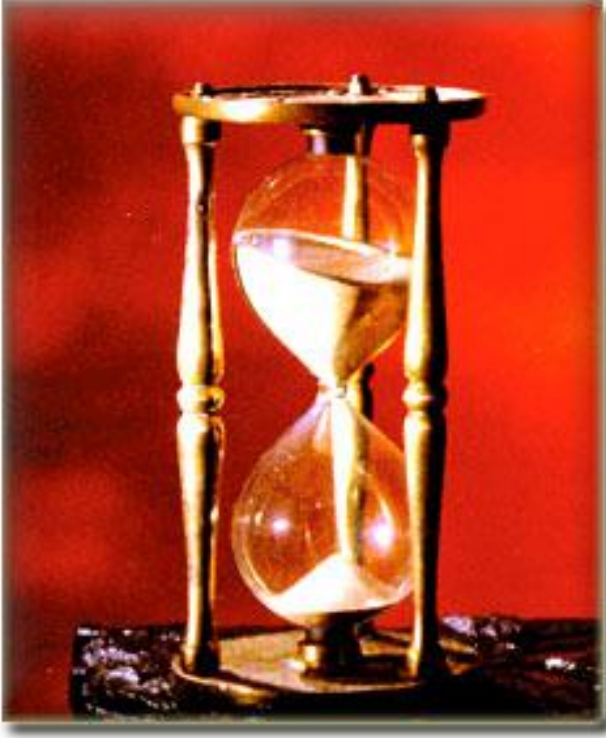

“Think young, create the change!”

e-gençlik Association

Our History

As e-gençlik team;
We started our journey in 2003 as "e-gençlik.net Youth Platform". Since 2003, we participated, contributed and organized many national and international projects, trainings, meetings, and gained experiences while establishing strong contacts. We started to institutionalization process in the first quarter of 2007 and we established as "*e-gençlik Association*" by September 2007.

e-gençlik Association

Our Aims

➤ To contribute for formation of a youth which is self-esteemed, energetic, sensitive to problems surrounding him/her and tries to find solution to these problems

➤ To ensure participation in social responsibility programmes of NGOs and establish partnerships with these organizations

➤ With our motto “Think young, create the change!” to encouraging youth to participate in voluntary activities and civil society, and to help them to convert their energies to socially beneficial works

“Think young, create the change!”

e-geçlik Association
