

“Project VolunTalent v1.0”

“Volunteer Management ideas in the field of youth”

We are happy to announce the call for participants for our capacity building project, “Project VolunTalent v1.0”, which will take place in Eskisehir, Turkey. This capacity building project is designed for increasing efficiency of the volunteer management processes of non-governmental organizations who are working in the field of youth.

The project will be implemented in accordance with: Call for Proposal: Capacity Building in the field of youth - 2016 - Round 2. You can find the timetable below in order to learn how we are planning to work with our partners during the project. The project will have an interactive approach based on non-formal education and experiential learning methodologies. These methodologies will be applied with concept related tools in workshops & self-designed open-space environments with the inclusion of project facilitators & participants.

Objectives;

- ✓ Defining the volunteer management related main problems of non-governmental organizations who are working in the field of youth and increasing efficiency of that NGO's by creating solutions for that problems.
- ✓ Enhancing skill and knowledge based capacity of the partners by creating a proper environment for increasing level of collaboration.
- ✓ Creating and disseminating an open-source, universal tool for every non-governmental organizations who want to use, in order to increase efficiency in the topic of “Volunteer Management”.
- ✓ By using the tool mentioned above, increasing youthworkers' level of awareness about their competencies.

Project Phases;

Project Starts / January '17

Kick-off preparations.

Kick-off meeting (with just project leaders) / February '17

Clarity of why, team building, goals & expectations, finalizing project plan.

Preparation (Needs Assessment) / January - May '17

Tight Communication, organization & expert meetings, field research, organizing the data which is collected.

Youthworkers Mobility Activity 1 / June '17

Enlarging the project team, defining main problems based on the data collected, draft output, tool development.

Tryout & Collecting Feedbacks / July - November '17

Tryout of the output & tools on real youth organizations (all partners and 1 more organization per partner), collecting feedbacks.

Youthworkers Mobility Activity 2 / November '17

Evaluation of feedbacks, Revising and finalising the output & tools, creating manuals, DEoR task assignments.

DEoR / December - April '18
