

ERASMUS+ KA1 topic: GAME deadline 24 April

The game allows the development of sociability, creativity, development of new forms of communication, learning and imagination. The game, in particular the role-play, allows the development of learning techniques business management, development of a strategic approach to problem solving, the risk management and development of soft skills. Also the game will be a fun and innovative way to know and to explore the territory of Bari.

UNION PRO EUROPE is young association made up of different professional backgrounds united by the desire to co-operate on different levels with different public and private bodies. The association was created to share and promote growth opportunities. Collaborate with people from all over Europe with different interests, needs and skills is the winning path for us to overcome the challenges of the future. The services offered by the association are divided into three main areas: YOUTH, GROWTH and EVENTS.

Bari, Puglia (Italy)

We will accept applications until March 31, 2017

The mobility will be in the first week of October

To develop a new method of learning and acquisition of soft skills.

**IF YOU WANT TO GET INVOLVED WITH YOUR ASSOCIATION
