

Call for Partners for a contact making seminar for Short Term EVS

Title:

Short Term EVS: Step by Step

Who we are:

Coordinadora Infantil y Juvenil de Tiempo libre de Vallecas is an association of organisations and centres working with children and young people at social risk. We have participated in several European projects and programmes such as Youth in Action, Lifelong Learning Programme (Grundtvig, Leonardo), Daphne, Erasmus+, etc. In the future, we would like to continue to develop transnational cooperation within the framework of Erasmus+ and establish stable relationships of cooperation and exchange with organisations in other EU countries.

Our site is: <http://www.coordinadora.org.es/>

Project:

In the last years Coordinadora has organize some internationals seminars where the target was to find the way of promoting mobility of young people with fewer opportunities. It came the conclusion that Short Term EVS is a great opportunity to encourage European mobility of these youngsters facing any kind of barriers. It is not always easy to carry out Short Term EVS projects, as they have some specific characteristics. Therefore Coordinadora is willing to organize a contact making seminar to meet organizations with interest in developing Short term EVS projects for youngsters with fewer opportunities.

Objectives:

- To create new partnerships.
- To exchange experience and best practices in relation with Short term EVS Projects.
- To establish a mid-term networking on Short term EVS projects with youngsters with fewer opportunities.

Participants:

We expect to host around 25 participants from 10 - 12 organizations. We are looking for partner organizations with experience in the following points:

- Working in the Youth field
- Short term EVS
- Working with youngsters with fewer opportunities
- Interested in creating a mid-term networking
