

Dear Colleagues,

We wish to apply for a strategic partnership in education between 3 secondary schools and 3 NGOs from 3 different European countries. The partners from Romania (Project coordinators) and Portugal as well as the school from Italy (Dante Alighieri Secondary School, Caserta, near Naples) have been selected. So, we are searching for 1 more partner: 1 NGO from Italy, particularly from Campania region or its surroundings.

The Project will be submitted on 28.03.2017. If you are interested in this partnership, please send us urgently the required documents (Mandate, presentation) at the same email address: apddacia@yahoo.com .

The Mandate is attached to this letter. The school and NGO's required presentations must follow the next questions:

- 1. Please briefly present the partner organisation/group (e.g. its type, scope of work, areas of activity and if applicable, approximate number of paid/unpaid staff , learners and members of the group).**
- 2. 2.What are the activities and experience of the partner organisation in the areas relevant for this project? What are the skills and/or expertise of key persons involved in this project?**
- 3. 3.Has the partner organisation participated in a European Union granted project in the 3 years preceding this application?**

We look forward to your proposals.

Sincerely,

Cătălin Arapalea,

President of Pro Dezvoltare DACIA Association (APDD)
