

EPIC

an unprecedented international project in Armenia

1-21 August Tsaghkadzor

Following the idea that “A good education is the greatest gift you can give yourself or anyone else.”, the organizers of EPIC aim at giving “the greatest gift” to hundreds of students from all over the world.

EPIC is organized by “Armenia Travel” travel agency in cooperation with “USC Armenia” student organization. EPIC is an unprecedented project not only in Armenia but also in our region. This is a project which everyone has dreamt about as here they can make their dreams come true.

What is EPIC?

EPIC is a Summer School-Camp project which will be held in August 1-21 in Tsaghkadzor, Armenia.

EPIC is an abbreviation which includes four very important words for the project:

Educate, **P**lay, **I**nspire, **C**reate.

EPIC gives students a chance to **get educated** and deepen their knowledge in different spheres, **play** various interesting games, **get inspired** by leading specialists and as a result **create** a lot of new things and make their ideas a reality.

The project is interdisciplinary in its nature so it gives students an opportunity to broaden their worldview by combining leisure with education.

The project is scheduled to host more than 300 students from the best universities of the world, especially from Europe, USA, Russia, Canada, Lebanon, etc.

During the project we expect not only Armenian but also international scientists, speakers, trainers and artist

The Format of EPIC Summer School/Camp

EPIC brings together American and European Summer School features and educational formats. Meanwhile, EPIC stands out among all similar projects with new educational model and approaches.

EPIC gives much importance to personal interests of students and gives them a unique chance to form the list of the courses themselves. In the application form all potential participants have the opportunity to suggest their desired fields, master classes, sports and cultural activities and enjoy them during the summer school.

More than
300 students
from all over
the world

The Goals of EPIC

- make education and various teaching methods more accessible to students,
- promote professional growth of students,
- create student platform for their consolidation and experience exchange,
- give a unique chance to students to meet well-known people,
- to enable talented young people to present their ideas and develop them into projects,
- create an opportunity for young people to combine education with leisure.

The mission of EPIC

The realization of EPIC Summer School Project aims at creating a unique platform in Armenia which will combine hundreds of students from different parts of the world and create an atmosphere which will allow them to interact, exchange cultural values, share their mindset and life experience and most importantly, encourage and inspire each other. Thus the project will create a strong bridge between Armenian and foreign students.

Why to Choose **EPIC?**

EPIC will make your summer memorable and will give new colours to your life. Being a part of EPIC you will get high quality education by leading specialists, gain new friends from different parts of the world, will have a chance to participate in various cultural and sports events, meet worldwide speakers and discover a country called Armenia which has rich historical and cultural heritage.

This is a wonderful chance for students to deepen their knowledge in their fields of interest, explore new horizons, meet with famous scientists, cultural and sports figures and get inspired by their success stories and academic achievements.

Educational Program

The authors of the project have chosen the main fields for the courses, taking into consideration which ones are modern not only in Armenia, but all over the world.

The programs of the courses have been designed by doctors, professors and docents of leading universities.

You can get familiarized with the program on our website: <https://epicstudy.org/?page=program>
