"Supporting Education, Serving Future"

Management Trainee Programme

25% Employees of the Inci Group of Companies (Inci Holding) are from Y Generation. Inci Academy conducts Management Trainee Programme – Genc Inciler (eng.Young Pearls) in order to prepare managers of tomorrow from the beginning of their carriers since 2011.

Programme covers intensive trainings for the young candidates who took their first step into business life.

"Supporting Education, Serving Future"

Music for Peace Inci Foundation Orchestra

Project was launched in 2016 with the agreements with public & private institutions. The orchestra using a non-formal education method of "El-Sistema", which is applied for almost 40 years globally with no talent discrimination.

Raising successful young musicians with the power of the art will help to shape good personality traits of the children.

"Supporting Education, Serving Future"

Music for Peace Inci Foundation Orchestra

Enthusiastic 65 children (between 06-18 ages) are attending musical trainings 3 days a week. Obtaining a hobby that can be transformed into a career opportunity for their future is the main derivative of the project. Children of the Orchestra started mini-concert experiences at various platforms and started to gain admiration from the authorities.

"Supporting Education, Serving Future"

Mobile Library

"Mobile Library" was launched on April 2015

- It aims to educate and help students and their parents, also to increase reading habits and intellectual knowledge.**

Mobile Library serves relatively disadvantageous school areas and operates in open public squares. So far, due to the agreements with public entities; the project reached up to 40.000 people and more than 12,000 books have been borrowed by them.

"Supporting Education, Serving Future"

Mobile Library / Parental Education Seminars

The project is not only providing books to children but also educating the parents through "Awareness Trainings for Parents" lead by expert volunteers of the foundation about law, family, health, communication, hygiene, and healthy social life.

180 hours spent in 90 sessions and more than 5500 participants welcomed at the end of December 2016.

"Supporting Education, Serving Future"

Promoting Women Handicrafts

- **Handcraft workshop sessions conducted for women who live in the rural areas of Gaziemir / Izmir with economic obstacles. With its volunteer teachers, Inci Foundation provides necessary training for women in order to make them obtain additional income for their families.**

"Supporting Education, Serving Future"
