USUAL ACTIVITIES:

Albacete Youth Centre, integrated in the Municipality of Albacete (Local Administration), provides young people with versatile leisure-time opportunities, supports them in different matters relating to European mobility, culture, voluntary, participatin, health, multicultural youth activity, new technologies,... and supports, assists and guides them so that they could achieve a better control of their lives.

The Youth Department also supports financially the activities of youth organisations and groups and provides premises, facilities and means for the use of the organisations and other groups.

Our European Mobility Office provides training and support specially to young people as well as general public interested to participate in mobility experiences. Also we have promoted differentes iniciativas relating to Youth in Action Programme (youth exchanges, EVS,..)

OPERATING PHILOSOPHY OF THE YOUTH CENTRE:

To support in the transfer from childhood to youth, from youth to adulthood and in related activities and experiences. The objective is to provide a good life and freedom for young people.
