D. BACKGROUND AND EXPERIENCE	
Please briefly present the partner organisation.	<p>VISION: A plural and diverse society where discrimination does not exist</p> <p>MISSION: To defend LGBT rights in all its spheres and to promote a free and diverse society</p> <p>COLEGAS aims to enable the free development of gays, lesbians, bisexuals and transsexuals (LGBT), as well as serve as a channel to coordinate, study, guide policies for transformation, education and promotion of sexual, family and affective diversity, fostering a Culture of respect and tolerance towards gays, lesbians, bisexuals and transsexuals (LGBT).</p> <p>ACTIVITIES:</p> <ul style="list-style-type: none"> • Awareness-raising and social pedagogy against discrimination and for equality of LGBT rights • Provision of services and attention to LGBT • Prevention of STD and HIV / AIDS and health promotion in general (drug addiction, eating disorders, women's health ..). Combating discrimination against people living with HIV • Actions in the field of youth (exchanges,) and disability, women and transgender visibility,

	<ul style="list-style-type: none"> • International cooperation projects and denunciation of the international LGBT situation • Promoting education in the fields of sexuality, cultivating values, multiculturalism and diversity, and combating bullying and discrimination in education • Promoting voluntary service and participation in national and international associative networks • Promoting multiculturalism, work and social integration and migrants • Promotion of formal and non-formal training in equality, non-discrimination and diversity issues • Promoting of respect for LGBT seniors and increase their well-being and social participation • Fight against discrimination in the workplace and promotion of diversity management • Promoting employment and socio-labor insertion • Actions and programs against violence due to sexual orientation and gender identity • Development of family mediation programs
What are the activities and experience of the organisation in the areas relevant for this application?	<p>COLEGAS has worked extensively in non-formal education on diversity issues (affective-sexual and gender, but also cultural, ethnic ...) and multiculturalism. We are currently executing the project "DIVERSE SCHOOLS" through which we conduct workshops in schools on diversity and fight against bullying.</p> <p>We are interested in all issues of recognition and empowerment of tolerance, equality and diversity through dialogue and other tools, as well as inclusion and work in synergy with other discriminated groups. We also work to combat hate crimes and care for their victims in a universalist and non-communitarian way (LGBTI rights only)</p>
What are the skills and expertise of key staff/persons involved in this application?	<p>The staff has had several years of experience in project management, preparation of trainings and workshops, managing of volunteers, coordination of organization's activities, counselling and has several experiences in the fields of equality promotion, LGBTI, youth, youth work, publications, communication with target groups via social media and other web pages and blogs. The staff is always trying to innovate and is looking for new communication channels to reach the target groups.</p>
