

# PROJECT OUTLINE

## Human Rights Education versus Cyber-hate

Leading Partner: [SEAL CYPRUS](#)

(CYPRUS ORGANISATION FOR SUSTAINABLE EDUCATION & ACTIVE LEARNING).

Project type: Training Course

Erasmus+ Key Action 1. Mobility of Youth Workers. Youth Workers' Training & Networking.

Main topics: Youth Work, Human Rights Education, Cyber-hate, Radicalisation, Media Literacy, Critical Thinking.

The training course **"Human Rights Education against Cyber-hate"**, will bring together youth workers, youth trainers, facilitators and youth leaders from European organisations with the main aim to incorporate the Human Rights approach in Youth Work to combat online hate speech.

The specific objectives of the project are:

- To raise awareness about Cyber-hate and the risks it represents at a personal level (well-being of young people) and a social level (democracy).
- To support human rights education activities against Cyber-hate
- To promote media literacy and critical thinking and support online youth participation
- To activate the partners to prevent and counter hate speech and violent radicalisation of the young people online and offline
- To develop and disseminate a campaign in the social media to raise awareness on Cyber-hate

The participants will:

- a) Improve their knowledge on Human Rights Education in favour of their target groups, and
- b) Explore non-formal tools of Human Rights Education to help young people develop competences to recognise cyber-hate and to guard Human rights online.
