

Youth exchange: GREEN CONNECTION

When: 21st August – 30th August

Where: Burgos, Spain

Who: 5 partners with 6 participants (14-17) + 2 group leaders (+18)

SUMMARY OF THE PROJECT

The aim of the exchange is to provide an intercultural learning experience for young participants by sharing moments of inclusion and carrying out activities that follow non-formal education methods. The topics discussed are those of environmental sustainability, respect for nature, sport and healthy lifestyle.

During the exchange, activities which will be carried out will promote intercultural inclusion and learning, such as workshops, role plays, intercultural evenings and teambuilding. In addition, through the aforementioned activities, students will acquire new knowledge about environmental sustainability and carry out sports activities in the open area, through which they will promote a healthy lifestyle and teamwork.

Main goals

- offer participants the opportunity of a multi-sector learning experience that encourages them to delve into the subject of environmental sustainability;
- providing participants with an experience of meeting and exchange, outside of the daily context;
- offer an opportunity for mobility to those who have less economic, social and geographical opportunities, giving the opportunity to all participants to get in touch with people from very different backgrounds and cultures;
- giving the possibility to national groups to structure an educational path that sees exchange as an important step in the growth of both the individual and the group;

- increase the manual and creative skills of the participants through the workshops;
- offer a possibility of learning through the preparation and facilitation of sessions such as warm-up and workshops during the exchange;
- Experiment with non-formal education tools and methods and promote the Erasmus Plus program.

Travel costs and participation fee

The travel costs will be covered up to the amount based on distance calculator. Food and accommodation will be 100% covered. A participation fee of 25€ per participant will be deducted from the travel costs reimbursement (i.e. having 275€ of travel costs if you spend 250€ of travel costs or less you don't have to pay any participation fee).
