<b>Background and Experience</b>	
Please briefly present your organisation	<p>The International Centre of Youth Cooperation (ICYC) is a newly formed youth organization based in the Republic of Armenia. It is a community of aspiring young people who have united with an aim to promote the cooperation among young people across Europe in various fields of non-formal education, such as intercultural learning and dialogue, peacebuilding and conflict transformation, youth entrepreneurship, creative writing and storytelling, sport and healthy lifestyle, etc. We are a group of young people who are very motivated to act as changemakers in our country and Europe strengthening ties among young people for better Europe. We believe that enabling young people to raise their voice, to cooperate with other like-minded young people across Europe and providing them a platform where they can bring their ideas and implement them, can be crucial in their lives and for the future of Europe. This is the mission of ICYC and now we work with many Youth NGOs in Europe who has the same goals.</p>

	<p>The main aims of our organization are</p> <ul style="list-style-type: none"> <li>- To promote cooperation among young people across Europe</li> <li>- To serve as a platform for young people to raise their voice and make their ideas come true</li> <li>- To contribute to the reconciliation and peacebuilding in Europe</li> <li>- To promote intercultural learning and dialogue</li> <li>- To develop entrepreneurial learning and support young people who have innovative ideas</li> <li>- To encourage young people to run healthy lifestyle</li> <li>- To equip youngsters with the skills which will promote their personal and professional growth.</li> </ul>
<p>What are the activities and experience of your organisation in the areas relevant for this application?</p>	<p>The organization itself doesn't have previous experience of implementing projects, as it is newly formed. But we have united active young people who have a great experience in working with youngsters, implementing many local and international projects, youth exchanges, training courses, etc. They have experience in the field of intercultural learning and dialogue, conflict management, entrepreneurship, storytelling, sport and healthy lifestyle, etc.</p> <p>We have united to make a powerful youth organization which will be one of the drivers of the positive change in Europe. We believe that young people are main actors and key to solving various problems in Europe and the World.</p>
