Supported by: Friedrich Ebert Stiftung

Implementation period: 01/10/2017 – 30/09/2017

Purpose: Empowerment and preparation of a well-trained group with the practices of denouncing and identifying corruption in higher education.

Geographical scope: Tirana

Project activities:

1. Training with a police expert "How to denounce corruption in education?"
2. Training with a media expert "How to denounce corruption in education?"
3. Writing 2 articles in the social media to present the activity of the Student Task Force

Project title: "Resistance against Corruption in Higher Education"

Supported by: Metamorphosis Foundation

Implementation period: 15/09/2017 – 15/01/2018

Purpose: Reducing the level of corruption in universities and increasing the transparency of the process of distribution and the management of funds.

Geographical scope: Tirana, Durrës, Elbasan

Project activities:

1. Informative sessions with students on the procedure of denunciation of corruption at the university. (5 sessions)
2. Physical and online survey about the corruptions (300 questionnaires)
3. Publishing 3 spots on social networks to improve the awareness and inform the students about the phenomenon of corrupt.
4. Organizing one TV show to shed light on cases of corruption in higher education.

Project title: "The Young Mediators"

Supported by: "Strengthening Community Policing in Albania" programme by the Embassy of Sweden

Implementation period: 01/01/2018 – 30/04/2018 (in process)

Purpose: Preparation of the young mediators on conflict resolution methods in school environments for student - student and student – teacher relationships.

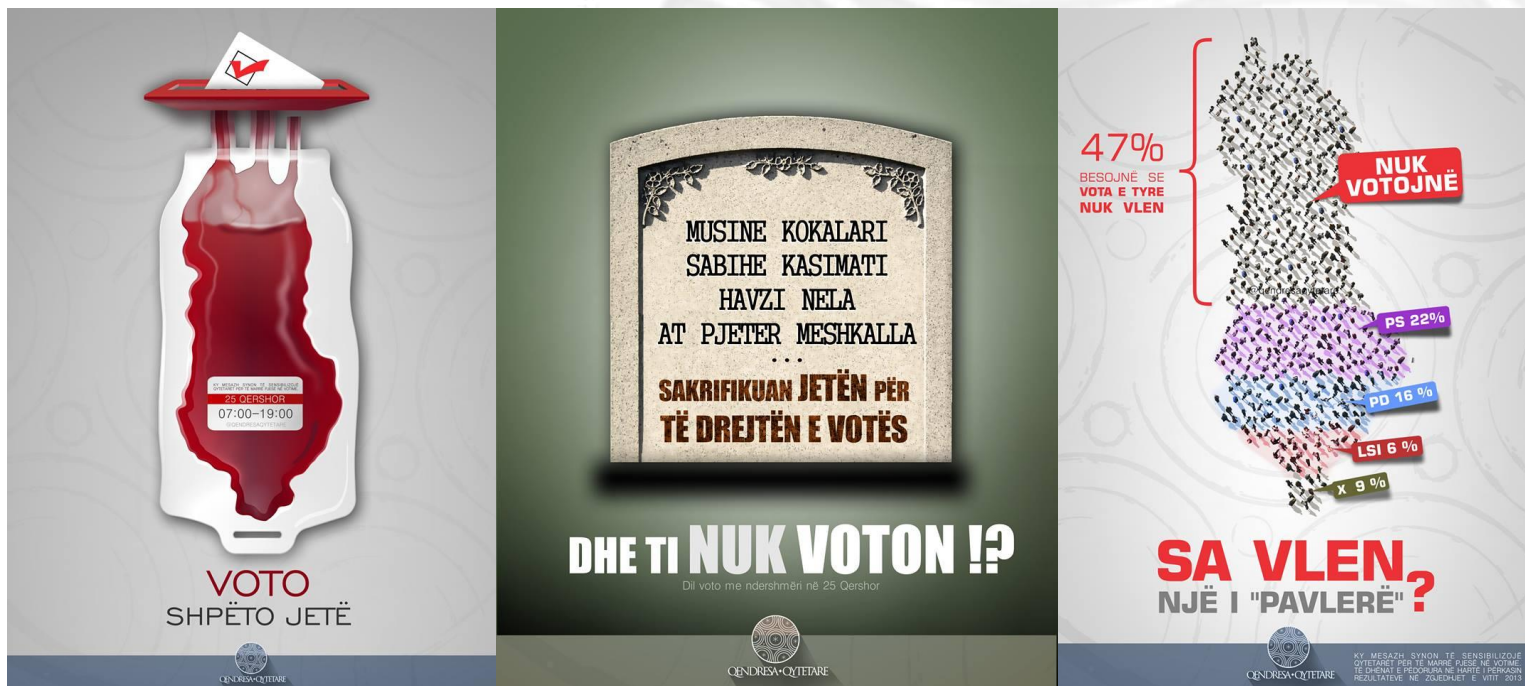

Geographical scope: Fier-Ballsh

Project activities:

1. Trainings on conflict resolution methods in schools.
2. Animated spots that promote positive models on conflict resolution methods between pupils/students.
3. Campaign on social media on physical conflicts and internet based conflicts.
4. Distribution of the conflict resolution manual.

Self-financed initiatives of the Resistance

Civic Resistance started her own volunteer initiative during the electoral period May-June 2017 and undertook an image campaign to raise awareness among the young people to participate in voting. The number of online clicks and digital posters distribution produced from our center had an impact and achieved over 100.000 clicks.
