About Us

Associazione di promozione sociale Tuberose is a no profit association founded in 2016 by social workers with 10 years of experience & specialization in project for youth with mental disabilities.

With our specialists, we are committed to the personal & social development of youth, by creating new possibility to live in an enriching context for youth and adolescent with mental disorder.

Mission

Prevention of mental disabilities with early intervention in adolescence and training of youth social workers

Core Values

Integrity - Trust - Respect - Passion – Love for Humanity

Main Activities

- Counselling
- Education
- Informing
- Networking

What are the activities, interest and experience of your organisation in the areas relevant to the project topic?

It has been 2 year since our association is founded. During this time, apart from the foundation work, we've focused on the local level and organized organizational promotion events and orientations for our projects in other youth centres and school. As described above in the description section, our founders have 10 years of experience in different types of youth care. We believe, the diversity of the projects we were involved in, roles we've taken and people we've worked with on the global level will also bring an important support on the quality of processes/sending organization roles & participant preparation related to this project. The involvement of our members in different projects for youth disabilities and high specialitazion in youth disabilities, is one of the key aspects of our quality promise.

What are the skills and expertise of key staff/persons involved in this project?

The association management team.

-Dott.ssa Bernardini Arianna. President of Associazione Tuberose. She's 35 yers old. SHE's a clinical psychologist with bachelor and master degree, and post graduate master in learning disabilities and cognitive disorder in youth. He's worked in very different context since 2008. Now she's the clinical coordinator of Residenza Tuberose, youth residential centre for mental disorder and working in school for the training of youth worker. She had a psychodynamic training.
