

## Good Practice Exchange Seminar on Working with Young People with Disabilities

Erasmus + KA1 – Mobility of Youth Workers - Seminar

25-31 January 2019

Ankara, Turkey

### Project summary

“Good Practice Exchange Seminar on Working with Young People with Disabilities” is an Erasmus+ KA1 Seminar organized by Barrier-free Society and Youth Association between 25-31 January 2019 in Ankara, Turkey.

Young people with disabilities are affected by discrimination and face additional barriers in most areas of the society. It is also not easy for young people with disabilities to enjoy the opportunities offered by Erasmus+ programme. One out of seven people has some form of disability, but this percentage is not reached amongst young people benefiting from Erasmus+ programme. On the other hand, there are so many good practices on young people with disabilities. The problem often is that we don't know about their existence.

The aim of the seminar is to exchange good practices on working with young people with disabilities to encourage, empower and inspire youth workers. Our target group is youth workers who were involved in working with young people with disabilities projects and would like to share their good practice projects. We will have 30 people from 12 different kinds of partners in this project from different experiences and backgrounds.

The seminar will be based on non-formal education. It will be used exchanging good practices, word cafe, peer-learning, field visits, games, talks, simulations, and other non-formal methods. A good practice guide will be created at the end of the project to disseminate the results to wider people.

### Target Group:

Youth workers who

- can work in English
- have good practices to share on young people with disabilities
- can commit to stay for the whole duration of the project

### Budget of the project:

The accommodation, food and visa for all participants will be covered in total by project budget. Travel costs up to limited amounts for countries according to programme rules of Erasmus+. Each participant has to provide invoice, flight tickets and boarding passes.

### How to become a partner:

Eligible partners are who;

- from a Programme countries and can send 2 participants to the project
- interested in the topic and actively working with young people with disabilities.

### If you are interested in the project;

Please send us the following 2 forms;

- partnership info table (email the word document)
- mandate form (sing, scan and then email us)
