ÇANAKKALE KOZA YOUTH ASSOCIATION

Our association has been established in order to provide young people to become sensitive to the environment and society and become responsible citizens. We want to reach this by making them aware of the provided possibilities and opportunities, providing their growth with awareness of their roles and tasks in the future.

Summary

As Çanakkale Koza Youth Association, we started to organize some events to raise the awareness about Gender Equality, Violence Against Women and Women Rights. Till now, we organized some events in our local and now we think its time to make something international. In this context, we want to gather youthworkers around Europe which are working about women rights, gender issues and this kind of topics. Before and after this Training Course, will have some tasks such as collecting datas for presentation and participants organizing dissemination events. The project will take place in Çanakkale, Turkey. The dates of the project is from 8th to 15th of November 2018.

*** If your organisation is working in field of women rights, gender issues please don't hesitate to contact us for partnership building. We want to cooperate only the organisations which are working in this fields. Thanks for understanding.**

ÇANAKKALE THE CITY OF PEACE

The province of Çanakkale lies in the northwest of Turkey on both sides of the Dardanelles (the ancient Hellespont), a strait which connects the Sea of Marmara to the Aegean Sea. Its shores touch both Europe and Asia.

Çanakkale is the name of both the city and the province which includes the legendary citadel of Troy, the ruins of Assos where the famous Temple of Athena was built, and the battlefields of Gallipoli. Archaeologists say there are up to 200 ancient sites in this region, many still unexcavated, so it is possible you may be wandering among ruins thousands of years old without even knowing it! There are also many Ottoman structures still standing; castles, bridges, mosques, mansions and Turkish baths. In the villages and towns, centuries-old crafts, cooking and styles of dress can still be seen.
