# WHO WE ARE?

We are Health and Social Service Workers' Union (Sağlık-Sen) in Turkey. We are both one of the largest syndicates as well as being a civil society organization. We have about 233 thousand members. We are the authorized syndicate since 2009 in Turkey and furthermore, we are signing The Collective Agreement with the government.

We are the spokesperson of all vocational problems on behalf of healthworkers. To this end, we are conducting scientific researches for being a modern and visionary syndicate.

In this context, Sağlık-Sen established SASAM (Sağlık-Sen Strategic Research Centre) in 2015 which aims to create academical policies and its implementations. SASAM objectives:

- Creating knowledge, based on proof, in a global scale which is related to health, social and labor policy,
- Devising reasonable solutions for illuminate to modern standards under scientific works about health, social and labor policy,
- Devising policies that improve health and social workers' rights
- Devising policies which encourage to develop governance capacity of public
- Being an effective and pioneer thinktank establishment in process of health, social and labor policy,
- Contribution to health, social and labor policy in a global scale.

SASAM' principles are being scientific, independent, trustable, equity, loyalty merit, participation and solution-oriented.

SASAM works on "Health Policies", "Social Policies" and "Work Force Policies And Syndical Rights".

SASAM aims to develop and support cooperation in the field of youth in the Europe to encourage young people, especially the most disadvantaged and the disabled, to participate in public life and to promote their sense of initiative, entrepreneurial spirit and creativity contribute to the development cultural diversity, social cohesion, sustainable development and combating all forms of discrimination fostering their mobility in Europe.

SASAM' events are include; Scientific meetings such as congresses, symposiumes, conferences, seminars, brainstorm meetings; surveys, training-consultancy services and periodical/nonperiodical publications as books, reports, articles, journals.
