ORGANIZER: Asociación Artenativa para una didáctica del italiano a través de las artes.

FRAME OF THE PROJECT

The overall aim of OVERCOMING GENDER OPPRESSION training course is to increase knowledge and awareness about gender and power dynamics in an intercultural dimension through theatre, cooperative learning activities and contemporary views.

TOPICS

- Identity and Gender
- Theatre of the Oppressed and power dynamics
- Intercultural dimension
- Cooperative learning methods

PARTNER TASK:

Before the project: we will give you a document with some questions about the topic. Participants should prepare the activities and send us the document a month before the beginning of the TC.

During the project: active participation.

After the project: organize face to face presentation of the Training Course in your country.

COST:

No fee is needed.

Costs: travel costs according to distance to Malaga, and 100% food and accommodation will be covered by Erasmus+ Program according to 2018 User's Guide.
