

RECYCLING FOR ART, ART FOR RECYCLING

PARTNERSHIP CALL FOR ERASMUS+ KA105 YOUTH EXCHANGE PROJECT

SHORT SUMMARY OF THE PROJECT:

Young Artists are recycling waste materials to draw attention to the recycling of unavoidable consumerism. They will create recycling art within this project.

Intercultural learning, improving personal skills, European Citizenship, Active Citizenship, Erasmus+ Programmes and Youthpass System are expected to be learned in project activities. Active learning methods and techniques will be used in the activities.

Please send an e-mail for the partnership from
Erasmus+ Program Countries.
