

ARTREPRENEURSHIP

1-10 February 2019

France, Poussan

ARTrepreneurship is a Training Course for Youth Workers, Youth Leaders, Youth Trainers, Volunteers, to raise awareness about unemployment and entrepreneurship as a way out of it. The training will improve the competences of the participants and increase their capacity to organise initiatives for their target groups.

Countries involved: France, The Netherlands, +5 other Program Countries.

Objectives of the project:

- develop key skills and competences of Youth Workers, Youth Trainers and Youth Leaders in non-formal entrepreneurship education
- Empower the organisations active in the youth field to promote Entrepreneurship
- Foster sharing and exchange of the participating organisations of their knowledge, experiences and positive practices.

Project partners will be chosen on the basis of the following criteria:

- Active in youth work
- Located in regions with high unemployment rate
- Interested to develop initiatives in order to encourage entrepreneurship among youth
- Eager to develop capacity to support their target groups in entrepreneurial learning
- Willing to develop new quality projects to promote entrepreneurial education

The project includes the 8-day training course and 10 days for personal learning commitments, peer learning, online work, etc. We will use:

- Non-formal participatory methods (team building activities, energisers; world café, live library, case studies, brainstorming, “speed-dating” with successful entrepreneurs, presentations, info-sessions, simulation games, reflection groups, buddy system etc);
- Learning by doing;
- Improvisation theater;
- Mentoring, to support participants to develop their project ideas and guide them in their further learning journey.
