

...c'mon man it was just a joke...wanna complain... it's his fault, still keep provoking me...coward...you are my friend...fuck off...
Does it sound familiar? Is it just a way how the students are? Or is there some message hidden behind an ordinary sentences ?

MEN IN BLACK

" GET A HEAVY WEAPONS FOR YOUR JOB"

CALL FOR PARTNERS

for

**MEN IN BACK - training course project
9 days in CZECH Republic**

When: - **31.8.2012 – 8.9.2012**

(3.9.2012 the day of arrival – afternoon, 11.9.2012 the day of departure)

Where: Czech Republic- South of Bohemia

Target group of participants:

We search for people who are connected with topic of our training course. And who can put methods and approaches, we are going to pass, into a practice.

- *University students of any field of a pedagogical science (expectant teachers)*
- *Teachers (teaching already at any kind of school)*
- *Social workers, professionals in prevention programs or people who are interested to work with group on topics like respect, tolerance or bullying.*
- *Youth workers, youth leaders*

Language: English - partistand very basic English

What about: *Do you feel sometimes like the others may are sending messages to us? Are you working with youths? Can you feel the message they are sending to us?. Maybe we do or want to do something. Youth are changing every year. Come to Czech Republic for 9 days training course and just imagine that you are reading the message from youth and try to react. We load you up with "weapons" which help you to react in the creative way. We are planning to share same space with European professionals and active and interested youth leaders, in topics: how to support positive relationships in a group. How to deal with conflicts within the group and how to uncover bully and what to do after. We want to share opinions, knowledge and reality in every member's country. We will present a little portion from Czech way of prevention. You can improve your skills in work with youth, you can get a new*

techniques and approaches. Training course could be an opportunity to meet professionals from other countries and share experience.

Main issues:

- *8 active days with students, pedagogic workers, social workers and other fantastic people from different countries. Practice an attractive ways how to work with youth to improve their relationships in the group and how to discover bullying and how to react on it. Each theme will be explored, experienced and practically prepared for apply*
- *We will present an attractive method of work within normal studying process at school classes, we will present learning by experience techniques in classes, games related to support open and creative relationships within school groups. We offer a method how to put a pedagogical goals into brand new and creative activity.*
- *We will present techniques helping to uncover and diagnostic the level of bully and consequently to help you decide the way of fixing the relationships in a group.*
- *members can develop their competences on many levels, individual, intercultural, intellectual, psycho-social and other*
- *sharing knowledge and experience with different cultural backgrounds*
- *invite members for preparing project of prevention in their own country*

Conditions:

- *project is funded by YiA (youth in action)*
- *accommodation, food and all the services during the training course are for free.*
- ***we refund 70% of your travel costs.***

We will have a lot of work, but we prepared free time too :-).

The detail information we send to the chosen participants later.
