MUSIC LABORATORY

During the last 3 years, ALTERA VITA organized seminars for Greek traditional music. In the workshops, during the seminars, we learn songs from Asia Minor, who "travelled" and settled in the island complexes of the Aegean Sea, in Northern-Southern Sporades, Cyclades and the North Aegean. We study local idioms, as well as external influences, songs that have been included in the local repertoire, mainly Musical traditions of the Asia Minor, as well as other peoples of the wider.

Altera Vita -YOUTH PROGRAMMES

KOINSEP CYCLADES also worked with youth programs related to the environment and Health Promotion. Through the Health Promotion programme "Walk along the paths of my island - discover myself", there is an opportunity for team work. Teenagers, get to know themselves while discovering the paths of their islands. They gain personal development skills and related in a different way with their teachers and their parents.

The project has the approval and inclusion in the Youth programme, under the auspices of the Ministry for Youth.

Within the framework of the program, there is a training package and an e-book, like a tool kit.

Altera Vita - SPORTS

Traditional Sailing School

One of the objectives of KOINSEP CYCLADES is the continuous activation in the rescue of all kinds of traditional arts and professions by educating the public and its members, especially the traditional Boat building.

Establishment of a **School of Traditional Sailing**.

Cyclades Sailing School since 2016, is starting traditional sailing courses in Syros with our Sailing Boat KIVOTOS, for first time in Greece. The aim of the school is to learn Traditional Sailing, to promote our cultural heritage, to save our traditional ships and the survival of the professions related to their construction especially in Syros, with the huge shipbuilding tradition.

A precondition for our own effort is to get in touch with the traditional sailing sport, acquiring theoretical and practical knowledge and skills of most, hoping to continue in our country the love for the traditional boat. The innovation of our Sailing school is the **distance learning** of the theoretical course.

PRACTICE

After certification of knowledge and written examinations, practicing with sailing boats and traditional boats for a week in Syros. The distance learning system based on the use of e-Learning **Moodle** platform.
