Background and Experience
<p>Please briefly present the partner organisation</p> <p>Photo Cinema Club from Prilep (PCC - Prilep) is an association of citizens first established in 1984. The beginnings of this association are related to organizing courses for photography and cinematography, and later on by undertaking activities for participation in certain associations. Today, the Club is a member of the Association of Technical Culture Organizations, Photo Association of the Republic of Macedonia and Cinematic Union of the Republic of Macedonia.</p> <p>During its 35 years of existence, the members of the Club actively participated in national and international photography exhibitions and festivals, which is also confirmed by the numerous awards won.</p> <p>Also, the Club is organizer and coordinator of projects, schools, clubs, state and international photography exhibition, connecting the youth through inclusion in events that emphasize their potentials in the field of photography and film art.</p>

Realized activities, projects and awards won in the period from 2014 to 2018:

1. *"Promotion of amateur documentary films in Prilep"* project within the manifestation "Young Europeans 2018" supported by the Ministry of Culture of the Republic of Macedonia.
2. Five annual club exhibitions of artistic photographs in honor of the photographer "Jordan Zazoski -Zazo".
3. Union Internationale du Cinema (UNICA) award for the best club in Macedonia.

What are the activities and experience of the organisation in the areas relevant for this application?

FCC - Prilep is dedicated to empower young people, through education, interaction in the field of photography and film art. Our main goal is to support and promote the photo and cinema technique. Our goals are also to encourage, develop and strengthen the interest of young people and adults for active engagement with photography and film art. To achieve our goals we organize cultural, educational and other events in order to actively encourage the involvement of young people in the field of photography and unprofessional film production.

***What are the skills and expertise of key staff/persons involved in this application?**

Main board of FCC - Prilep is made by university professor and people who have successful business career. Our NGO and thus our key staff has taken part in many national and international projects.

Meri Boshkoska is an Associate Professor at the Faculty of Economics in Prilep, "St.Kliment Ohridski", University in Bitola. Her scientific research interest is focused on the following areas: international finance, financial management, international business and financial markets and institutions. At the moment she is a financial manager within the project "A knowledge Alliance in Eco-Innovation Entrepreneurship to Boost SMEs Competitiveness", BALKANMED, 2017 – 2019. She has been engaged as expert in many national and international projects.

Sasko Poposki has Bachelor Degree in Management and he is manager in his own company for 27 years. From 2016, he has been appointed president of FCC – Prilep. Poposki has long time experience in organizing courses, photography exhibition and video projection.
